MEMORANDUM OF POINTS AND AUTHORITIES
IN SUPPORT OF THE MOTION TO AUGMENT THE RECORD ON APPEAL
(Second District Court of Appeal, Local Rule 2(c))
I.
INTRODUCTION
The trial court judge leveraged the fact that the appeal process starts in his courtroom
by manufacturing delays and erroneously rejecting documents in an attempt to manipulate
Appellant-Plaintiff into violating a court order and persuade Appellant-Plaintiff to no longer
pursue an appeal. Judge Stern was attempting to cover up his corruption.
Appellant-Plaintiff submitted his Notice of Appeal the day after the Judgment,
08/06/2024, and as all previous e-filed submissions it was reviewed the same day (and
accepted). The law requires that a Notice Designating Record on Appeal be submitted
within 10 days. (Cal. Rules of Court, rule 8.121(a).)
The next day, Appellant-Plaintiff submitted a Notice Designating Record on Appeal.
This document was not reviewed the same day or the next. However, the Proof of Service
filed with it was reviewed and accepted the next day. Because of prior improprieties
perpetrated by the presiding Judge, Douglas W. Stern, Appellant-Plaintiff felt implored to
follow up on his suspicions that the papers he filed were being purposefully unprocessed.
Appellant-Plaintiff called the clerks' office and was told that electronically filed documents
are handled by unnamed individuals without any contact information and that a wait time of
several months is a possibility.
Facing a 10-day deadline to file a Notice Designating Record on Appeal, Appellant-
Plaintiff emailed the court. (Cal. Rules of Court, rule 8.121(a).) The first email was to the
department's email address. It did not contain any attachments and was simply a forward of
a receipt of an e-file submission with two documents listed in the body of the email and
asking for confirmation of receipt. The first email was sent on the 08/09/2024. No response
was provided. Several days later, on 08/12/2024, with four days left, Appellant-Plaintiff

- 3 -Motion Re: Augmentation

emailed the department again and added Judge Stern to the email chain (still no attachments, just asking if the submitted documents were received).

While no response was ever provided to Appellant-Plaintiff's inquiry sent to tordeptb@lacourt.org, Appellant-Plaintiff did receive an email from said email address. The body of the email contained a disclaimer that this was sent from an unmonitored account (contrary to information provided by the court's assistance while Appellant-Plaintiff was present in court). The email included a copy of an order filed by the court on that date. (CT 144.)

<sup>9</sup> The order called out Appellant-Plaintiff's two emails as improper and considered ex
 <sup>10</sup> parte communications. (CT 144.) The court demanded that "NO" further emails be sent by
 <sup>11</sup> any person in this case to Judge Stern or the Court's email resource account. (*Ibid.*)
 <sup>12</sup> Appellant-Plaintiff believes this was an attempt to bait Appellant-Plaintiff into responding
 <sup>13</sup> by email thereby violating a court order. Appellant-Plaintiff's intention, in addition to filing
 <sup>14</sup> this appeal, was to have a record of Judge Stern's malfeasance for Appellant-Plaintiff's
 <sup>15</sup> related case against Judge Stern.

Also, on 08/12/2024, Appellant-Plaintiff contacted his e-file service provider and was informed that the court did not fully reject the submitted Notice Designating Record on Appeal. Rejection requires a two-step process before it can be sent back to the e-file service provider and updated in their system. The first step is to approve or reject. The second step is to provide a reason. Without both of those two steps completed, the filer is not updated with any new information beyond the initial submission. This is a continuation of Judge Stern's, and the Defendant's, pattern of willful incompetence designed to obstruct justice and deny Plaintiff access to California's courts.

Appellant-Plaintiff's e-file provider reached out to the court for additional information and was able to get an update that night, 08/12/2024, around 10:00 pm for the Notice submitted on 08/07/2024.

- 4 -Motion Re: Augmentation After noticing an error, Appellant-Plaintiff submitted another copy of the Notice Designating Record on Appeal on 08/12/24 around 4:30 pm. It was rejected 24 hours later. It was rejected because Appellant-Plaintiff was unaware that the Unlimited Civil cases are not recorded like limited civil cases are, and without a court reporter (which is unattainable for a person on a fee waiver) there was no official record. The court also added, "Please do not attach file stamped documents (FW-003)."

Form FW-003 is a fee waiver. It was included with Appellant's Notice Designating Record on Appeal, optional form APP-003, because § 1(a)(2)(a) was checked requesting the clerk's transcripts at no cost under rules Cal. Rules of Court, rules 3.50–3.58. Section 1(a) (2) of APP-003, states that, "I have submitted the following document with this notice designating the record (check (a) or (b))." The Judicial Council of California approved this form and included the specific language requiring the inclusion of FW-003 for a request of the clerk's transcripts and a request for the clerk's transcript is required to commence an appeal.

Given the context, the previous rejection note was added to provide additional friction in Appellant-Plaintiff's efforts to appeal the final judgment in this case. Judge Stern's court would build on this previous rejection by rejecting a Notice Designating Record on Appeal that was submitted on 08/15/2024 at 10:24 AM PDT. The reason given for this rejection was: "Respondent selected also was selected as having a fee waiver. Our records indicate that Mark Zuckerberg does not have a fee waiver on file. The system will not allow processing of the document unless the correction is made." This rejection was made on 08/22/2024 at 11:00 AM PDT, a week later and well past the 10-day deadline for filing the Notice Designating Record on Appeal.

A proof of service was submitted on 08/15/2024 at 09:52 AM, it was sent using form APP-009, a "Form Approved for Optional Use Judicial Council of California APP-009 [Rev. January 1, 2017]." The court denied it with the reason stated being: "Must submit in proper court format." Even though this was submitted about 30 minutes before the Notice in

St	anislav Arbit, declare as follows:
1.	I am representing myself and this declaration is submitted in support of Plaintiff's
	Application for a Restraining Order. The following facts are within my personal
	knowledge and, if called as a witness herein, I can and will competently testify thereto.
2.	Threats of violence have been, and continue to be, an element of Mark Zuckerberg's,
	and his co-conspirators', constant campaign to terrorize Plaintiff, Stanislav Arbit.
3.	
	in 2017, where I was a data center infrastructure management engineer.
4.	
	working at Facebook's main campus in Menlo Park, CA. I only know one of these people
	names-her name is Alex Grunwald. Alex Grunwald has shown up at my home in Santa
	Monica around July 2021, and my home in downtown Los Angeles, around January 2022
5.	An unknown Facebook employee stalked me in San Francisco after my Facebook
	contract ended, and another unknown Facebook employee stalked me in New York City i
	2019.
6.	Since I left Facebook in 2017, representatives from Facebook have contacted me for
	odd, non-employment-related reasons.
7.	An example of a recent operation started shortly after I filed a civil complaint against
	Mark Zuckerberg for stalking and defamation (case: 23TRCP00474, Los Angeles County,
	12/18/23). For about a week, I started encountering people on crutches and casts at a
	significantly higher occurrence than I have in my previous 41 years. All of these people
	acknowledged me.
8.	After the indirect threats described in paragraph 7, I have been the victim of numerou
	counts of attempted vehicular homicide. After one near-miss, the driver acted like he
	missed out on a bonus payment.
9.	The most recent count of attempted vehicular homicide occurred on February 14,
	2024, at approximately 11:45 AM as I was driving North on the 405. The attempt involve
	at least three cars, two of which acted as distractions while a third attempted to sideswipe
_	

1	me while it was traveling 15-20 MPH faster than other traffic. I took emergency evasive
2	maneuvers to narrowly avoid contact.
3	10. People have also started to run at me, sometimes pretending to be distracted and
4	running directly at me even after I move out of their way.
5	11. A different operation involves cars taking fast right turns while overtaking a car in the
6	lane closest to the sidewalk—as I'm walking by. This type of threat started in January of
7	this year. A recent occurrence was on 1/19/24 around 8:10 AM.
8	12. The last few weeks people have been assaulting me and pretending it was an accident.
9	For instance, at the grocery store, people have been bumping me with their shopping carts.
	At first, it was just one cart. Then it was multiple carts running into me one after the other.
10	13. After the episodes with the carts, at the same grocery store, a person put their hand on
11	me to physically restrain my movement.
12	14. About two weeks ago, a person flung their backup at me while I was in my gym's
13	locker room.
14	15. Another violent threat at the gym also occurred in February when a person stood next
15	to me in the locker room as I was getting dressed and punched the air near my head.
16	16. On Feb. 10, I was walking down the path I usually walk for exercise and a person in a
17	truck stopped in front of me with the windows down and, while driving off, loudly asked
18	me what gang I was in and inquired if I was a Crip or a Blood. The next day, while taking
19	the same walk, I found an ammunition casing at approximately the same location.
20	17. My phone was hacked. One recent indicator of this occurred on 02/02/24 at 11:15 AM
21	while I was preparing a message to Fox News Corp. to let them know about the stalking
22	and harassment lawsuit I filed against Mark Elliot Zuckerberg. While I was considering
23	what the body of the message should include—and purposefully not touching any part of
24	the screen—I saw the letter "y" appear. I didn't move, and I double-checked to make sure
25	nothing was touching the screen. This behavior is consistent with other signs of hacking.
26	18. The examples listed above are just some examples of the daily, constant harassment
27	orchestrated by Mark Zuckerberg.
28	19. If Defendant is not restrained, Plaintiff fears great bodily injury will result.
	- 3 - Exhibit A-3 Arbit v. Zuckerberg RO Declaration

1	20. Defendant will suffer negligible or no harm if the restraining order is granted, in that
2	we are separated geographically, and no good reason exists for Mark Zuckerberg, or his
3	agents, assigns, employees, partners, and all those acting in concert with Mark Zuckerberg
4	to be interacting with me directly or indirectly outside of our court proceedings.
5	
6	I declare under penalty of perjury that the aforementioned is true and correct.

18 19	7. I emailed the moving papers to Mark Zuckerberg before 10:00 a.m. on 03/18/24.
20	8. On 03/06/24, I submitted a request to the San Mateo Sheriff's Office (SMSO) for
21	substitutive service.

	- 2 - Exhibit C-2 Arbit v. Zuckerberg Alt. Service Declaration

-	10. On 03/13/24 at 06:42 a.m., I asked SMSO for a status update for case 23TRCP00474 after
2	informing the SMSO that "The crimes are ongoing and the damages continue to accrue.
	Please consider this matter urgent".
	11. On Thursday, 03/14/24 at 01:30 p.m., after not getting a response to the status update
	request submitted on 03/13/24, I called the San Mateo Sheriff's Office. After a short
	automated message, I was routed to the Civil Unit Team. The call lasted for 13 minutes
	while they researched the case and confirmed my identity. The call concluded with a
	promise that my request for substituted service would be honored, but would be delayed
	due to limited staff.
	12. This request is made ex parte because of the immediate and irreparable danger that has
	occurred and continues to occur.
	13. It has become crystal clear to me that my computer has been hacked. I do not have
	reliable access to the internet which is not compromised.
	14. I am under constant physical surveillance.
	15. On, or around $03/12/24$ , two people were waiting for me outside of a building, where I
	usually exist, and initiated an approach with the intent of physically engaging me-or
	intimidating me with the possibility of a physical altercation.
	16. I have reason to believe that I am regularly getting mildly poisoned with a significant
	dose administered on 03/13/24 which caused a notable increase in discomfort, pain, and
	loss of sleep.
	- 3 - Exhibit C-3 Arbit v. Zuckerberg Alt. Service Declaration

1	17. The building automation system in the building where I work often "fails" and either
2	locks me out of the building or locks me in, or holds me in the elevator for an extended
3	amount of time after arriving at a floor.
4	
5	18. As a food delivery driver, I have to navigate around coordinated "accident" setups. The
6 7	most recent event occurred on 03/17/24 around 2:45 p.m. on PCH.
8	19. On, or around, $03/14/24$ and $03/15/24$ , at two different parking lots that I typically can be
9	found in, I survived an attempted vehicular battery while walking.
LO L1	20. On, or around 03/11/24, my right front car window was completely smashed.
12	21. On 03/14/24 around 07:30 p.m., a man threatened me with a knife in the locker room of
.3	the gym that I frequent Monday through Friday.
.4	22. Mark Zuckerberg first received actual notice of this lawsuit last year.
.6	23. The Sheriff's Office has attempted personal service at least six times.
.7	24. Publication of this lawsuit is likely, and an order for publication can advance us to
.9	discovery where I, Stanislav Arbit, Plaintiff, believe I can uncover a preponderance of
:0	evidence to prevail in this lawsuit.
1	
22	I declare under penalty of perjury that the aforementioned is true and correct.

2. I informed Mark Zuckerberg that the hearing will be in Dept. B at the Torrance
Courthouse, located at 825 Maple Ave, Torrance, CA 90503.
3. I asked Mark Zuckerberg if he intended to appear to oppose the ex parte application.
4. The notice was emailed to the following email addresses: zuck@fb.com,
mark.zuckerberg@fb.com, mzuckerberg@fb.com, zuck@meta.com,
mzuckerberg@meta.com, and mark.zuckerberg@meta.com.
5. Mark Zuckerberg has not responded.
6. I emailed the moving papers to Mark Zuckerberg before 10:00 a.m. on 04/15/24.
7. The first SER-001, "Request for Sheriff to Serve Court Papers," for service of summons
was submitted by Plaintiff to San Mateo Sheriff's Office (SMSO) on 01/09/24.
8. The SMSO made their first attempt to serve the summons and complaint on $02/29/24$ and
another attempt was made on 03/14/24. (Filed on 04/08/24)
9. On 03/06/24, I submitted a request to the SMSO for substitutive service.
10.On 03/08/24 they responded with "We currently have an open service for these
documents."

1	11. On 03/13/24 at 06:42 a.m., I asked SMSO for a status update for case 23TRCP00474 after
2	informing the SMSO that "The crimes are ongoing and the damages continue to accrue.
3	Please consider this matter urgent."
4 5	12. On Thursday, 03/14/24 at 01:30 p.m., after not getting a response to the status update
6	
7	request submitted on 03/13/24, I called the San Mateo Sheriff's Office. After a short
8	automated message, I was routed to the Civil Unit Team. The call lasted for 13 minutes
9	while they researched the case and confirmed my identity. The call concluded with a
	promise that my request for substituted service would be honored, but would be delayed
L 2	due to limited staff.
3	13. On 04/05/24, I submitted the second SER-001 requesting substitutive service.
ł	14. On 04/11/24, I contacted SMSO for a status update. I didn't receive a response.
5	
5	15. On 04/12/24, I sent a second request to SMSO (including Sheriff Corpus,
7 3	ccorpus@smcgov.org) for a status update on the request for substitutive service. They
9	responded with "An attempt was made, however the service was unsuccessful and a card
)	was left. The documents are still out for service."
	16. On 04/12/24, I contacted Sheriff Corpus directly, asking why they have been unable or
	unwilling to execute the service request. Lt. Dan Reynolds responded, saying that they are
}	working on it without providing any details.
5	17. This request is made ex parte because of immediate danger and irreparable harm.

10    2 11    2	4. I asked Mark Zuckerberg if he intended to appear to oppose the ex parte application.	
	5. The notice was emailed to the following email addresses: zuck@fb.com,	
13	mark.zuckerberg@fb.com, mzuckerberg@fb.com, zuck@meta.com,	
14	mzuckerberg@meta.com, and mark.zuckerberg@meta.com.	
15		
1 7	6. I emailed the moving papers to Mark Zuckerberg before 10:00 a.m. on 04/25/24.	
18	7. This request is made ex parte because of immediate danger and irreparable harm.	
19	8. At the first hearing with Judge Douglas W. Stern (03/06/24), after appearances, Mr. Stern	
20	told me, Stanislav Arbit, the Plaintiff, that he does not care about this case, he believes that	
21	I don't care, and he made it known that he strongly disapproves of how the complaint was	
22	titled.	
23 24	9. At the next hearing (3/19/24), Judge Stern demonstrated his proclaimed disinterest by	
25		
26	exhibiting a willful lack of understanding of the motion before him. I stated that he is not	
27	reading what I am submitting and I reiterated the gravity of the situation and asked if it	
28		
	- 2 - <b>Exhibit F-2</b> Arbit v. Zuckerberg Stern Dis.	

1	would be helpful if I came back the next day so that Mr. Stern could have more time to
2	familiarize himself with the motion. Mr. Stern declined the suggestion and denied the
3	motion.
4 5	10. In the declaration that I filed on $3/21/24$ , I stated the following: "I believe that the
6	
7	presiding Judge—Douglas W. Stern—has an undisclosed conflict of interest, one that
8	precludes him from faithfully executing his judicial duties."
9	11. The hearing after being told by Plaintiff that he is not reading or understanding the
10	documents being submitted, Douglas W. Stern's courtroom had a sheriff's deputy present.
11 12	Right before Plaintiff's case was called the deputy positioned himself at the door leading to
13	Plaintiff's desk. Plaintiff stated his name with an armed deputy next to him—both of the
14	
15	deputy's hands could reach Plaintiff without having to adjust his stance.
16	12. After appearances, Douglas W. Stern asked Plaintiff about what exactly Mr. Stern was not
17	understanding. Plaintiff told him that everything he wanted Mr. Stern to understand was in
18 19	the filed documents. This hearing occurred on 3/26/24 and included the declaration (filed
20	on 3/21) that accused Mr. Stern of having an undisclosed conflict of interest. Mr. Stern then
21	stated he is once again denying the motion. Plaintiff left the courtroom immediately and
22	
23	was followed to the elevator by the deputy. Before the elevator's doors closed the armed
24	deputy made a showing of stretching his arms.
25 26	
20	
28	
	- 3 - <b>Exhibit F-3</b> Arbit v. Zuckerberg Stern Dis.

1	13. Before leaving the Torrance Courthouse, Plaintiff stopped by the library to do legal
2	research. While conducting the research, various deputies would poke their heads in and
3 4	make a comment before leaving.
4 5	14. On 03/28/24, I emailed a litigation hold to Dept. B, addressed to Mr. Stern. It was emailed
6	to tordeptb@lacourt.org at 9:14 a.m. as an attachment (Exhibit 1).
7	
8	15. On 04/13/24, I emailed a copy of a cease and desist letter addressed to Mr. Stern and sent
9	it to tordeptb@lacourt.org on 04/13/24 (Exhibit 2).
10 11	16. On 04/16/24, Mr. Stern ruled, without calling the matter for hearing against an Ex Parte
12	Application.
13	17. While I believe the aforementioned facts are enough for Mr. Stern to have recused
14 15	himself, I am now also stating explicitly that I believe Mr. Stern has conspired with
16	Defendant, either directly or indirectly, to manipulate the proceedings in a way that
17	unfairly harms the plaintiff.
18	18. Exhibits 1 and 2 are true and accurate.
19 20	I declare under penalty of perjury that the aforementioned is true and correct.
20	r declare under penalty of perjury that the aforementioned is true and correct.

	- 1 - Arbit v. Zuckerberg Exhibit G-1

I. PARTIES, JURISDICTION, AND VENUE
1. This court has personal jurisdiction over Defendant, Mark Elliot Zuckerberg,
because his primary residence is in California.
<ol> <li>Stanislav Arbit's primary residence is in California.</li> </ol>
<ol> <li>The Superior Court of California has subject-matter jurisdiction for Civil Code §</li> </ol>
1708.7 and §§ 44–47.
4. The venue is proper because all of the causes of action and most of the events
occurred in Los Angeles County.
II. FACTUAL ALLEGATIONS
5. It is within my belief and knowledge that the defendant is a principal in a fifth-
column network that conspires to target Americans, who do not have utility to them,
to remove them from society by any available means, including murder.
6. Plaintiff is a former contingent worker at Facebook, Inc. Facebook, Inc. is
operated by the defendant. Plaintiff believes he was targeted because of this
relationship.
7. Defendant's program can be described as Full Cycle Human Resource
Management (FCHRM). FCHRM is analogous to a washing machine cycle.
FCHRM's cycle is approximately one year. And much like a washing machine, most
of the time is spent in the agitation phase. During the agitation phase, the Defendant
has tried to agitate, frighten, confuse, and mobilize the plaintiff.
- 2 - <b>Exhibit G-2</b>

1	8. Around the one-year mark, they force the victim, or in this case, they forced me
2	out of housing and employment. This is the drain and spin phase. At this point, you
3	are on the run and exhaust your resources. If you are able to settle back into housing
5	and gain income the cycle will start again.
6	9. The goal, and eventual result, is to have the victim's savings drained, all credit
7	exhausted, and for the victim's resume to have a long gap in employment. At this
8	
9	point, the victim is essentially boxed in.
	10. Defendant uses patterns as his criminal signature—employing various motifs to
L2	string individual events together.
13	11. Most days contain multiple events, and it is rare for a day to go by without an
14	event.
	12. Defendant spies on the plaintiff and reflects gathered intelligence in his
.7	choreographed field performances and direct inauthentic interactions with Plaintiff.
.8	13. While permanent removal of the victim is the primary goal, the secondary goal
20	is complete isolation from society, and the tertiary goal is being blocked from
1	housing and employment. But any inconvenience, insult, manipulation, or scam, no
22	matter how slight, is an achievement to the defendant and his network of
24	coconspirators.
	14. The scheme is highly organized, resource intensive, and typically coupled with
26	plausible deniability, and whenever possible, blame is shifted through
28

m	isinformation. The underlying mechanics of this novel setup are, by design,
di:	fficult to express. The sheer complexity of their over-engineered system serves as
a a	cover for their criminal enterprise.
15.	Defendant maliciously defamed Plaintiff with the goal of precluding him from
	ining employment in any field or industry.
16.	Defendant maliciously defamed Plaintiff with the goal of critically damaging his
bu	isiness.
17.	Defendant has made credible threats and Plaintiff believes Defendant has and
W	ill continue to conspire to cause the plaintiff great bodily harm and death.
	<b>III. FIRST CAUSE OF ACTION: STALKING</b>
	(Civ. Code, § 1708.7)
18.	The allegations in previous paragraphs are incorporated herein by reference.
19.	Defendant, Mark Elliot Zuckerberg, is a principal in a conspiracy to stalk the
pl	aintiff, Stanislav Arbit.
20.	The Stalking was planned and executed with Defendant's vast network.
D	efendant is vicariously liable for all of the actions of the conspiracy because he
Wa	as an active participant who was involved in the planning of the stalking and
	reed with his network to commit acts of stalking and intended that stalking be
co	ommitted.
	- 4 - Exhibit G-4

1	21. The defendant engaged in a pattern of conduct the intent of which was to follow
2	alarm, place under surveillance, and harass the plaintiff.
3	22. As a result of that pattern of conduct the plaintiff reasonably feared for his
5	safety, and for the safety of an immediate family member.
6	23. The plaintiff suffered substantial emotional distress, and the pattern of conduct
7	would cause a reasonable person to suffer substantial emotional distress.
9	24. The defendant, as a part of the pattern of conduct specified in Section II, made
0	
1	credible threat with the intent to place the plaintiff in reasonable fear for his safety.
2	25. The defendant, as a part of the pattern of conduct specified in Section II, has
3	acted with reckless disregard for the safety of the plaintiff.
5	26. In response to the threat in paragraph 24, Plaintiff applied for two TROs.
6	Defendant had knowledge of these applications.
7 8	IV. SECOND CAUSE OF ACTION: DEFAMATION
•	(Civ. Code, §§ 44–47)
	27. The allegations in previous paragraphs are incorporated herein by reference.
2	28. Defendant, Mark Elliot Zuckerberg, is a principal in a conspiracy to defame the
3	plaintiff, Stanislav Arbit.
4	29. The defamation was planned and executed with Defendant's vast network.
5	
6 7	Defendant is vicariously liable for all of the actions of the conspiracy because he
8	was an active participant who was involved in the planning of the defamation and
	- 5 - Exhibit G-5 Arbit v. Zuckerberg

agreed with his network to commit acts of defamation and intended that defamation		
be	committed.	
30.	Because of the Defamation Plaintiff was harmed in his business and profession	
31.	Defendant acted with malice, oppression, and fraud.	
	V. PRAYER FOR RELIEF	
32.	Plaintiff requests general damages according to proof.	
33.	Plaintiff requests punitive damages in an amount to be determined by the Cour	
ac	cording to proof.	
34.	Plaintiff requests any and all other relief the Court deems just and proper.	
35.	Plaintiff also requests reasonable attorney fees and interest on all damages.	
	VI. JURY TRIAL DEMAND	
36.	Plaintiff respectfully demands a trial by jury on all claims and issues so triable.
